Charges Against Jailer Albert Fields Excite Indignation-Branded as a Purely Political Move-Sheriff P. B. Sibley Denies Charges of Cruelty-Board of Charities.

Stamped instantly as a last despercontest that is county wide and of paramount local interest at this time, the venomous attack on and outrageous attempt to discredit the management of the Windham county jail at Brooklyn. of Thursday, was nevertheless a start-ler to the people of Killingly and surcounding towns. The published state-ments as to conditions at the jail are universally regarded in the eastern end of the county as gross exaggerations. They have been repudiated by the people completely and absolutely; they chool, for whom he did so much and have been rejected in their entirety in whom he took such interest while the bellef that their faith in those who have the affairs at the pall in charge will be demonstrated as justified when the investigation by the committee of the state board of charities is complet ed. These statements are based on opinions expressed Thursday by prominent men resident in the towns of Killingly, Brooklyn, Plainfield, Putnam-towns in closer touch with jail matters than is that county township from which a campaign of villification has been conducted against the offi-clais of the institution for a year past.

Alleged Conditions Impossible. That such a state of affairs as is alleged exists at the fail could be so carefully concealed through a term of years as to escape the attention of the people of all the towns in the county

When asked Thursday if there was any statement that he desired to make relative to the charges that had been so victorsly made against him, Jailer Albert Fields said that he would prefer that anything given out relative to the of a New London young woman, matter should come from Sheriff P. B. der the trial list is set down the Sibley. Mr. Fields did not display the near-famous case of Arthur Dabe slightest indication of the trial control of the same of slightest indication of the temper that he is accredited with, when talking on the subject. He did say, however, and
